

Dear all

The Paediatric Hepatobiliary and Liver Transplant Symposium to be held from 2nd to 4th November is coming together very nicely.  
Invitation attached.

The congress has a superb academic program, including an ethical debate on the role of Liver Transplantation in South Africa, and offers 18 CPD points, including 2 ethics points.  
The closing date for submission of abstracts has been extended to the 30th September.  
Registration is available online

Please don't hesitate to contact me should you have any queries -
