# SOUTH AFRICA TRANSPLANT COORDINATOR SOCIETY

---

- The SATCS is a body created to represent and unite all coordinators in South Africa
- Established June 2017
- Collaboration between organ and tissue coordinators
- >50 coordinators, from different regions, hospitals and centres

# SOUTH AFRICA TRANSPLANT COORDINATOR SOCIETY

---

*Unity brings  
change*

## THE LOGO OF THE SATCS

---

# PURPOSE

- To allow Transplant Coordinators working nationally under different organisations to collaborate and align activities in the interest of clinical governance and quality patient care .
- Sharing information and experiences.
- Sharing goals through a process of consultation and negotiations.

## COMMITTEE MEMBERS

The steering committee members are a combination of coordinators between the regions Gauteng, Cape Town and KZN.

The selected committee members are as follows:

- Anja Meyer (Chairperson), CMJAH
- Mary Duncan (Secretary), WDGMC
- Luke Steenkamp, Groote Schuur Hospital
- Lucille Claassen, Livingstone Hospital Port Elizabeth
- Vanessa Wentink, Netcare KZN
- Buyi Koloane, Greys Hospital KZN
